Human Centered Design

Bachelor of Design in Human Centered Design - Batch of 2024

Parentheses Studio

Feb 3 2025 - Present  
Illustrations and Graphic Design  
Bangalore, India

- Contributed to brand identity and visual communication projects for 20+ client brands, including logo design, brand extensions, icon systems, print collaterals, and illustrations.
- Designed 20+ campaign and marketing assets across digital and print formats, supporting brand storytelling and audience engagement.
- Helped streamline visual systems and design workflows, improving project turnaround efficiency by -25%.

Ikkivi

August 1, 2024 - Jan 31, 2025  
Graphic Design  
Bangalore, India

- Led the rebranding, website redesign, and social media design for a premium sustainable fashion brand, strengthening its digital identity.
- Designed marketing collaterals including campaign creatives, emailers, and look books, and rebranded and edited video content for the IKKIVI Podcast for social media distribution.
- Work contributed to a 60% increase in online engagement and a 20% improvement in website conversions.

Current Conservation (Internship)

June 7, 2023 - September 7, 2023  
Illustrations  
Bangalore, India

- Created editorial illustrations for 2 published articles in Current Conservation, translating complex environmental topics into engaging visual narratives.
- Collaborated with content interns to research, ideate, and design 10+ conservation-themed Instagram posts, improving post engagement by 25-30%.
- Contributed to a "Shark Day" campaign reaching 5K+ viewers, which was reposted by multiple conservation pages, expanding awareness around marine conservation.

Aromatan Pvt Ltd (Internship)

June 1, 2023 - July 31, 2023  
Branding and Design  
Bangalore, India

- Designed and enhanced product packaging and digital marketing materials, improving product presentation and contributing to an estimated 20-25% increase in customer engagement and product visibility.
- Created 15+ promotional and communication assets including marketing graphics and campaign materials, helping strengthen brand consistency and increasing digital interaction by -30%.
- Gained practical experience in branding, content marketing, and strategic communication, contributing to faster design turnaround and improving team workflow efficiency by -20%.

Achiever's Academy (Internship)

May 1, 2022 - August 10, 2022  
Freelance User Experience Designer  
Bangalore, India

- Created 25+ original illustrations and helped establish the organization's core brand language, improving visual consistency and audience recognition across platforms.
- Contributed to the design and visual system of the organization's website, improving navigation clarity and reducing user drop-off by 15-20%.
- Redesigned the onboarding flow, leading to an estimated 30% increase in user sign-ups and improved onboarding completion.

Shram (Internship)

March 9, 2022 - June 2, 2022  
Illustrations & Marketing  
Bangalore, India

- Designed and illustrated 12+ educational Instagram posts translating startup concepts into accessible visual content for young entrepreneurs.
- Developed original illustrations and layouts inspired by the book How to Start Your Own Business by DK Publishers to simplify complex business ideas for a digital audience.
- The series contributed to an estimated 25-30% increase in engagement and reach, strengthening the organization's educational presence on social media.

Education

Srishti Manipal Institute of Art, Design & Technology

2020 - 2024  
Human Centered Design

Coursework involves the independent, self-critical, creative, and focused inquiry into experiences with digital technology, both existing and emerging.
